S.W.A.T.

The Wadsworth Police Department has four officers currently assigned to the twenty-two member Medina County S.W.A.T. Team. The team trained every month throughout 2013. The team was activated three times in 2013:

On January 6, 2013 at approximately 5:07 am the Akron Police Department contacted the Wadsworth Police Department with a request to search for a suspect vehicle that was involved in a double shooting that had occurred earlier in the day in Akron, Ohio. Soon thereafter a Wadsworth patrol officer located the vehicle parked and unattended in the parking lot of the Legacy Inn, 810 High St. Verification was made that the suspect had checked in earlier in the day and the suspect's room was identified and monitored by Wadsworth Patrol officers and deputy sheriffs of the Medina County Sheriff's Office. The S.W.A.T. team was then activated. At approximately 8:21 am the S.W.A.T. team made entry into the suspect's room and arrested him without incident. He was arrested on warrants for Aggravated Murder, Attempted Aggravated Murder and Felonious Assault.

On September 27, 2013 WPD members of the S.W.A.T. team members responded to a residence on Boston Road to assist Medina County Sheriff's Office (MCSO) with the execution of a search warrant. The scene was secured without incident and turned over to the detectives from the MCSO.

On November 22, 2013 WPD members of the S.W.A.T. team assisted the Medina County Drug Task Force (DTF) in securing a residence on Abbeyville Road in Medina. Once the scene was secured it was turned over to the DTF for processing.

The Wadsworth Police Department recognized several departmental members for various actions from throughout 2013.

Communications Officers Mike Banks and Nicole Covil were awarded a Certificate of Appreciation for their day-to-day efforts of administering the department's use of the state-wide Law Enforcement Automated Data System (LEADS). The department's use of the LEADS was audited in October by the State of Ohio and received overwhelming compliance in the numerous areas that were reviewed.

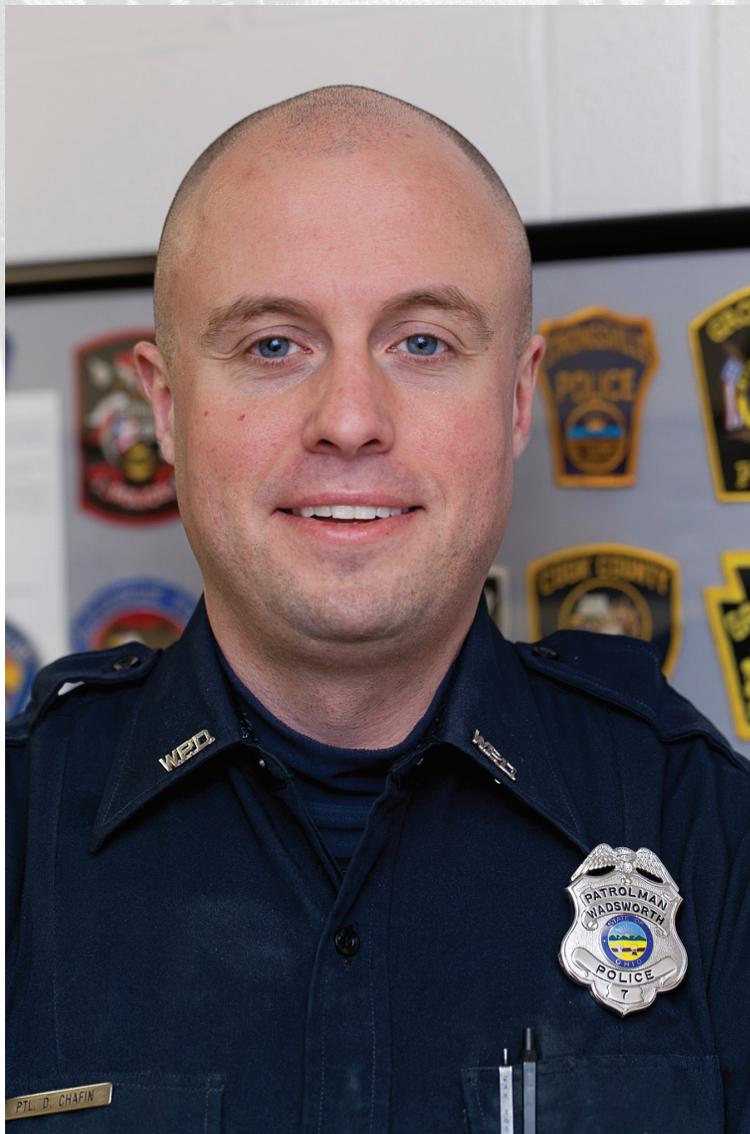

Sergeant Melissa Blubaugh also received a Certificate of Appreciation for her year-long efforts to completely overhaul and rewrite the departmental policy manual. She incorporated the department's policies, rules/regulations and jail manual into an organized, professional and easily accessible format.

Departmental Awards

Patrol Officer Dan Chafin was awarded the Departmental Commendation (Blue) Award for his life-saving efforts that took place on November 16, 2013. He had responded to a call of an elderly male fall victim in which Wadsworth EMS were also responding. His arrival on scene before the rescue squad allowed him to utilize the Automated External Defibrillator (AED) and then continue to perform CPR on the subject. The victim was subsequently treated and transported to the hospital by Wadsworth EMS

2013 ANNUAL REPORT

Departmental Awards

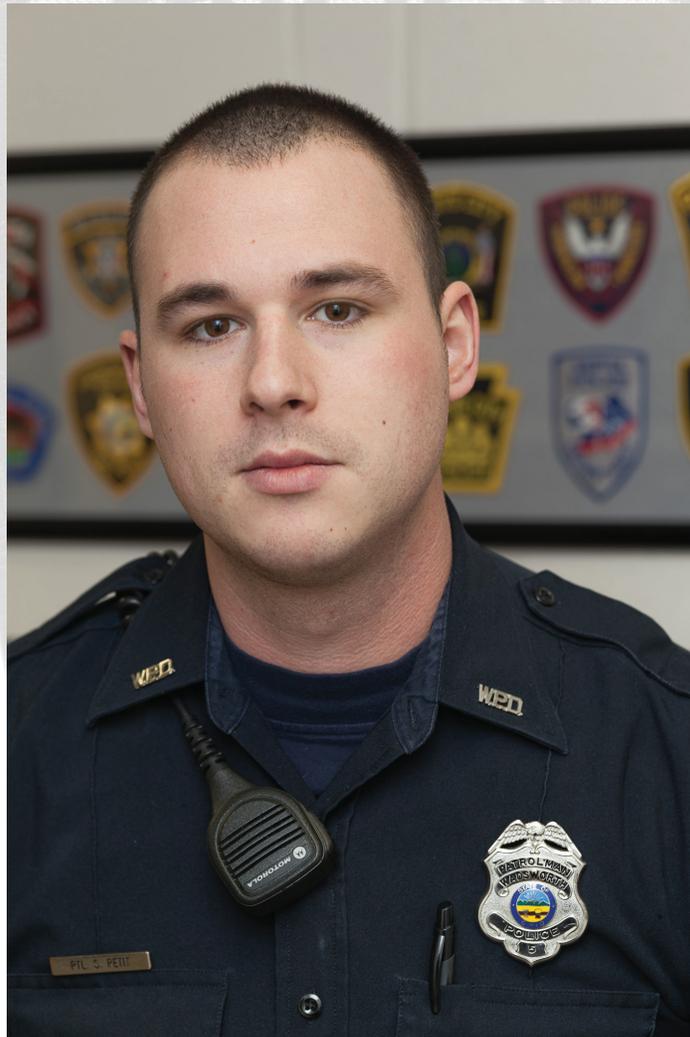

Patrol Officer Heath Studer was awarded the Departmental Commendation (Gold) Award. On July 10, 2013 the Wadsworth area experienced an historic rainfall, wide spread flooding and was under a tornado warning. He responded to a mutual aid request from the Ohio State Highway Patrol to the area of S. Medina Line Road for a tree that had fallen onto live electrical lines. While there, a passing motorist informed him of a disabled vehicle on Fixler Road, approximately one-half mile west of S. Medina Line Road. Upon his arrival to the area of the disabled vehicle he observed that it was in a low-lying area that had transformed into a large current of water that closely resembled a fast-moving river. The water was approximately 2' deep and 300' wide. The stranded vehicle was located in the middle of these raging waters. He was able to confirm that there were occupants inside of the car, later identified as a mother and her two children. As Officer Studer made the decision to wade through the water he observed two volunteer firefighters in their personal vehicles also begin to approach from the opposite side. They worked together to remove the family and escort them to safety at a great risk to their own personal safety.
