Dear Resident or Small Business Owner:

The City of Wadsworth has selected IGS Energy of Dublin, Ohio as the supplier of natural gas to participants in its Natural Gas Aggregation Program. You are eligible to participate with other residents and small businesses in the City. You will automatically be enrolled in the City of Wadsworth Natural Gas Aggregation Program unless you notify IGS Energy that you do not wish to participate.

Under governmental aggregation, the City of Wadsworth acts on behalf of natural gas consumers in the City to negotiate a gas supply contract with eligible suppliers. Both the City of Wadsworth and IGS Energy must be certified by the Public Utilities Commission of Ohio. The City of Wadsworth voters approved the implementation of the program on November 5, 2002 and the City Council Members approved ordinance number 02-080. Your participation in the aggregation program for the City of Wadsworth will begin within one or two billing periods after enrollment with Dominion East Ohio (Dominion) and end with your October 2017 billing period.

Your new price under the City of Wadsworth Natural Gas Aggregation Program will be **\$2.97 per MCF** through your October 2017 billing period. There is no charge to sign up and no charge to cancel. Please refer to the attached Terms and Conditions for full details of this offer. For more information about the City of Wadsworth Natural Gas Aggregation Program, please visit <http://www.igsenergy.com/communities/wadsworth>.

You will be automatically enrolled in the City of Wadsworth Natural Gas Aggregation Program unless you choose to “opt out” – that is, to not participate. There is no cost for enrollment and you do not need to do anything to be included.

If you want to be excluded from the City of Wadsworth Natural Gas Aggregation Program you must return the enclosed “Opt-Out” form or contact IGS Energy at 1-877-353-0162 by October 12, 2016. If you do not opt out at this time, you will be enrolled in the program until it expires with your October 2017 billing period. If you do nothing you will soon receive a letter from Dominion notifying you of your transfer to your community’s new program with IGS Energy as your supplier. **If you wish to remain in the program, simply ignore that letter.**

Under this program IGS Energy will deliver your gas to Dominion and then Dominion will deliver that gas to you. Dominion will maintain the pipeline system that delivers natural gas to your home or business. Dominion will continue to read your meter and will continue to send you a monthly bill that will include the gas supply charge from IGS Energy. You will still contact Dominion regarding loss of gas service, odor of gas, or for any other concerns or issues having to do with your local service. Budget billing and automatic billing options will continue to be available through Dominion.

If you have any questions please call IGS Energy at 1-877-353-0162, weekdays, from 8:00 a.m. to 8:00 p.m. EST. For general information on natural gas deregulation in Ohio, you can also visit the Web Sites of the Ohio Consumers’ Counsel (www.occ.org) or the Public Utilities Commission of Ohio (www.PUCO.ohio.gov).

Sincerely,

The City of Wadsworth and IGS Energy

*P.S. Remember to return the “Opt-Out” form only if you do **not** want to participate in the City of Wadsworth Natural Gas Aggregation Program.*

If the home or small business for which you have received this letter is not located within the City of Wadsworth, you have received this letter in error. Please contact IGS Energy at 1-877-353-0162 to be removed from the aggregation list.

You are not eligible to participate in this program if you are currently enrolled in the PIPP program. If you are already under contract with a competitive retail natural gas service provider, you may incur a contract termination fee or other charges if you fail to opt-out of the aggregation program.
