**Mr. Easton called the meeting to order at 9:00 a.m.**

**Sludge Disposal**

The lowest bidder for sludge disposal was Synagro. Therefore, based on the recommendation of the Wastewater Treatment Superintendent, Mr. Easton moved that the board approve the award of a contract to Synagro for sludge disposal, consistent with their bid, and that the Director of Public Service be directed to enter into said contract. All were in favor. **MOTION ADOPTED.**

**Mr. Easton made a motion to adjourn the meeting. All were in favor. The meeting was adjourned at approximately 9:45 a.m.**

To: City of Wadsworth  
Board of Control

Based on the recently opened bids from Synagro and Agri-Sludge, Incorporated, and based on further information secured to clarify the bids to remove biosolids from the city's wastewater treatment plant, I recommend awarding the contract to Synagro based on the following prices:

- 1) To remove biosolids from the plant, haul to supplied fields and apply on the field, the quoted price of **fourteen dollars (\$14.00) per wet ton;**
- 2) To haul biosolids to an EPA approved landfill in the events fields are not available or restricted by application dates the quoted price of **thirty five dollars (\$35.00) per wet ton.**

Please feel free to contact me at the treatment plant with any questions you may have.

Sincerely,

John Clark, superintendent
