**WHEREAS**, the clerk of the legislative authority of the City of Wadsworth has received a copy of a petition of Salamar Real Estate, Ltd., Richard K Lewis and Betty A. Lewis, as Trustees, Troy A. Crislip and Mary Ann Crislip for an expedited Type 2 Annexation of 81.908 acres from the Township of Wadsworth to the City of Wadsworth, and

**WHEREAS**, division (C) of section 709.023 of the Ohio Revised Code provides that within twenty days after the date such a petition is filed, the legislative authority of the municipal corporation to which annexation is proposed shall adopt an ordinance or resolution stating what services the municipal corporation will provide, and an approximate date by which it will provide them, to the territory proposed for annexation, upon annexation, and

**WHEREAS**, division (C) of section 709.023 of the Ohio Revised Code further provides that if the territory proposed for annexation is subject to zoning regulations adopted under either Chapter 303 or 519 of the Revised Code at the time the petition is filed, the legislative authority of the municipal corporation also shall adopt an ordinance or resolution stating that, if the territory is annexed and becomes subject to zoning by the municipal corporation and that municipal zoning permits uses in the annexed territory that the municipal corporation determines are clearly incompatible with the uses permitted under current county or township zoning regulations in the adjacent land remaining within the township from which the territory was annexed, the legislative authority of the municipal corporation will require, in the zoning ordinance permitting the incompatible uses, the owner of the annexed territory to provide a buffer separating the use of the annexed territory and the adjacent land remaining within the township and that for purposes of said section 709.023 of the Revised

Code, "buffer" includes open space, landscaping, fences, walls, and other structured elements; streets and street rights-of-way and bicycle and pedestrian paths and sidewalks, and

**WHEREAS**, the petition for annexation of Salamar Real Estate, Ltd., Richard K Lewis and Betty A. Lewis, as Trustees, Troy A. Crislip and Mary Ann Crislip for an expedited Type 2 Annexation of 81.908 acres proposes for annexation of territory that is subject to Wadsworth Township zoning regulations adopted under Chapter 519 of the Revised Code; NOW THEREFORE

**BE IT RESOLVED BY THE COUNCIL OF THE CITY OF WADSWORTH, STATE OF OHIO:**

**SECTION 1.** That the services the City of Wadsworth will provide to the territory proposed for annexation by the petition of Salamar Real Estate, Ltd., Richard K Lewis and Betty A. Lewis, as Trustees, Troy A. Crislip and Mary Ann Crislip for an expedited Type 2 Annexation of 81.908 acres from the Township of Wadsworth to the City of Wadsworth are as follows:

Public Safety: The City of Wadsworth will provide police and fire protection and emergency medical services.

Water Service: The City of Wadsworth will provide water service subject to the following:

1. Water service currently exists to the south of this parcel on Reimer Road and to the north at Shepperton Drive in Tiberon Trace.
2. The property owner/developer will be required to run water from Reimer Road and loop it into the system at Shepperton Drive.
3. There is adequate water supply at the Wadsworth Water Treatment Plant.

It is understood that all water line extensions are the responsibility of the property owner/developer; and, upon receipt of all necessary permits and payments of all costs for connections thereto, such service shall become immediately available.

Electric Service: The City of Wadsworth will provide electric service subject to the following:

1. The City of Wadsworth has electric facilities currently available along the frontage of the property on Reimer Road. These existing electric facilities have the capacity to serve the electrical needs of the proposed annexed property for residential development.

The City of Wadsworth charges a fee for the electric facilities to be installed and those fees are the responsibility of the property owner/developer; and, upon receipt of all necessary permits and payments of all costs for connections thereto, such service shall become immediately available.

Telecommunications: The City of Wadsworth (CityLink) will provide telecommunications service subject to the following:

1. CityLink is available along Reimer Road.
2. There is no charge for CityLink to install facilities and serve the annexed property for residential development.

Sanitary Sewer Service: The City of Wadsworth will provide sanitary sewer service subject to the following:

1. This Area is currently served by Medina County Sanitary Engineer sewers, but per the recent Northeast Ohio Area Coordinating Agency (NOACA) agreement this area will be taken over by the City of Wadsworth sometime after July 1, 2021.
2. Although it appears there is capacity to the existing system, it will be the developer's responsibility to demonstrate how this area can be served by sanitary sewer and that there is downstream capacity in the gravity sewer and that there is capacity in downstream lift stations and forcemains.
3. There is treatment capacity at the Wadsworth Regional Wastewater Treatment plant.
4. There is no sanitary sewer along Reimer Road, east of Hinkle Drive.
5. The topography of this land flows to Tiberon Trace subdivision and therefore, will need to be tied into that system.
6. No new lift station will be allowed for this small area to drain to the south.

Solid Waste Collection: The City of Wadsworth will provide solid waste collection service.

General Services:

1. Street Department can provide annual maintenance including snow and ice control, sweeping to public roadways and leaf collection on the annexed properties.
2. Annual preventative maintenance as far as crack sealing, patching, etc. in the future as the roadways deteriorates.
3. Cost/Benefit analysis should be conducted for large roadway repairs such as resurfacing or full depth improvements if public streets are requested.

The approximate date when these services shall be provided shall be the date when the annexation becomes effective, provided that the water, electric and telecommunications services may require the installation of on-site and off-site infrastructure improvements subject to being financed by property developers, petitions for special assessments or other agreements.

**SECTION 2.** That if the territory proposed for annexation by the petition for annexation of Salamar Real Estate, Ltd., Richard K Lewis and Betty A. Lewis, as Trustees, Troy A. Crislip and Mary Ann Crislip for an expedited Type 2 Annexation of 81.908 acres is annexed and becomes

subject to zoning by the City of Wadsworth and that municipal zoning permits uses in the annexed territory that the City of Wadsworth determines are clearly incompatible with the uses permitted under current Wadsworth Township zoning regulations in the adjacent land remaining within Wadsworth Township, the legislative authority of the City of Wadsworth will require, in the zoning ordinance permitting the incompatible uses the owner of the annexed territory to provide a buffer separating the use of the annexed territory and the adjacent land remaining within Wadsworth Township. For purposes of this provision, "buffer" includes open space, landscaping, fences, walls, and other structured elements; streets and street rights-of-way and bicycle and pedestrian paths and sidewalks.

**SECTION 3.** That this Resolution shall be effective at the earliest time permitted by law.
