

Swimming Pool /Hot Tub Permit Guide

City of Wadsworth

This guide provides information on obtaining *Swimming Pool Permits* in the City of Wadsworth.

- **Zoning Permits Are Required** for All Pools Over 2' Deep.
- **Electrical Permits Are Required** for Pool Wiring for pools over 42" deep.
- **Electrical Permits Are Not Required** for pools under 42" deep & UL approved "cord and plug" circulation systems (storable pools).
- **Building Permits Are Not Required**

Step 1) Prepare a Site Plan for the property where the pool is to be installed. Aerial views can be found at <http://www.medinacountyauditor.org/property-search.htm> Some site plans for the property may be on file with the Building Department.

***Proposed Pool Locations May Involving the Following Special Considerations:**

- › Pools locations not meeting the requirements of zoning code require approval from the Board of Zoning Appeals.
- › Pools encroaching into a City utility easement require prior approval from the Wadsworth Engineering Department before zoning approval is granted.

Summary of Swimming Pool Regulations

CITY OF WADSWORTH

- 1) Installations of above or in ground pools capable of holding more than 24” of water require a Zoning Certificate from the City Planning Department. The zoning application must include the pool dimensions; and the location of the pool and any fencing in relation to the side, rear and front property lines.
- 2) “Kiddie” pools, wading pools and/or other inflatable/portable pools that contain less than 24” of water, shall not be required to obtain a zoning permit, but should nonetheless adhere to setbacks requirements noted above.
- 3) Detached pools are required to be 5 ft. from the rear and side property lines, and 25 to 50 ft. from the front line depending on zoning district. (Corner lots are considered to have two front yards).
- 4) Deck surrounds on above ground pools or patios surrounding in ground pools must also meet 5 ft. setback requirements.
- 5) A 4 ft. high fence, impassable by small children, is required for structures that contain 24” or more of water. Pools whose sides (or attached fencing), are 48” or greater above grade meet this protection requirement, and don’t require additional fencing. All pools/fencing must have a locking gate or removable stairs and must comply with the City of Wadsworth Ordinance §93.09 and §152.036 included on the back of this sheet.
- 6) Electrical wiring installations associated with permanently installed above or below ground pools, hot tubs etc. including
 1. Circulation, filtration & heating equipment; or
 2. Installation of outlet receptacles; or
 3. Installation of lighting- require an electrical permit from the City Building Department and may be obtained by a licensed contractor, or a resident homeowner who performs the work himself. The wiring must be in compliance with the 2017 National Electric Code.

*Exception: UL approved “cord and plug” circulation systems storable pools - (pools not capable holding more than 42” of water) – or for non-metallic, molded polymeric or inflatable fabric walls regardless of dimension, may be connected to a GFCI outlet *in compliance with the manufacture’s instructions*, without an Electric Permit. (Installation of an outlet receptacle *does* require an electric permit).
- 7) Current Permit Costs for Residential Pools:

Zoning Permit	\$25.00
Electric Permit	\$50.00

Step 3) Permit Application Submission & Payment

- Please submit the zoning application & site plan at this time by email or mail with an email address included.
- Payments (checks) may accompany the applications if mailed, or be made after permit approval with a credit card by phone.

Zoning Permit = \$ 25.00 Total

Electric Permit = \$ 50.00 Total
(If not wired by homeowner, electrical contractor must pull the permit).

- Receipts and permits will then be returned by email if possible or mailed.
- Please email or call the office for instructions on handling large sets of plans, or with other questions.

Application Submission: jstefl@wadsworthcity.org **330-335-2753**
