# Memory

*Hosted by the Soprema Senior Center*

*Presented by the Village of St. Edward at Wadsworth*

**FRIDAY, OCT. 30 AT 3 PM VIA ZOOM**

Can music enhance our memory or increase brain activity? How does music impact someone with dementia? Learn about the power of music and how it affects the brain during this interactive program presented by **Annette Walters** with the **Village of St. Edward** via Zoom.

This program is open to anyone but family caregivers will be our VIP guests and will receive a special gift in the mail after attending.

To RSVP, contact the Soprema Senior Center via email to [ssc@wadsworthcity.org](mailto:ssc@wadsworthcity.org) or by phone at **330-335-1513**. Please include your name and phone number when registering, and be sure to let us know if you are a caregiver so that we can follow up with you!
