# Grief Support

There are no rules about how you should feel after losing a loved one. While the Soprema Senior Center's in-person Grief Support group has been suspended until further notice due to the COVID-19 pandemic, Laura from Crossroads Hospice is available to help you navigate the grieving process.

Please call Crossroads Hospice at 330-899-9100 and ask for the Bereavement department. Be sure to tell Laura you were referred by the Soprema Senior Center.
