FIRE FIGHTER/EMT OF THE 2nd QUARTER

April – June 2025 – Danny LoParo

Danny LoParo has a remarkably strong work ethic. Danny is extremely reliable and never fails to put his team members first. Danny always shows up for his shift early, ready to start the day. Danny continually shows his support for the other members he works with, regardless if it is during work hours or when he is off-duty. He is the kind of firefighter everyone trusts implicitly when entering a burning building, knowing he always has their back.
